Windsor, CA

Videographer/ Photographer

I want to pursue a career in cinematography and landscape photography. I enjoy filming and photographing multiple perspectives; I never hesitate to try a different camera angle, or implement a new idea for a photograph or video. I am constantly trying out various techniques in my work for an impacting mood. I exhibit a true love for the craft and art of the videography and photography process.

Videography Experience

Jenna Cruz's Wedding

Employer: Jenna Cruz

Accomplishments

- Recorded high-definition video for Jenna's Wedding and Reception
 - Handled a 2 camera shoot and external audio equipment
 - Archived videos on computers and servers
 - Edited, color corrected, and uploaded final wedding video to Jenna
 - Created a memorable, cinematic wedding video that highlighted the preparation of the wedding, the wedding, and the reception
-

Internship at KRCB Television and Radio (Current)

Employer: Darren Lashelle

Accomplishments

- Managed studio cameras and operated tricastor board for streaming live pictures
- Filmed live recording of the 2015 Bay Area Wine Auction
- Photographed various wine bottles for the Bay Area Wine Auction
- Produced and Edited 4 video segments for the Sonoma County Farm Trails that aired on television

McDougall Conference Live Video Recording

Employer: Darryl Webb

Accomplishments

- Operated a Sony PMW EX3 studio camera
 - Filmed Audience Shots of the conference and close up shots of McDougall speaking
 - Transitioned between close and wide shots when told to by camera crew
 - Managed to capture properly composed shots in a live recording atmosphere
-

- Recorded high-quality video with professional audio for the Windsor High School Video Bulletin
 - Became Executive Producer
 - Developed Introductions to the Video Bulletin that recapped current events at the school
 - Handled 3 camera shoots, lighting, and external audio equipment for professional standard interviews
 - Staged and interviewed students about current events and announcement, such as sports, plays, and clubs.
 - Mentored students in Broadcast Journalism about the basics of DSLR Cameras, professional audio, and post production editing in Premiere Pro CS6.
 - Archived videos on computers and servers.
 - Edited, toned, and uploaded final video segments
-

Differed Actions of Childhood Arrivals Act Video (Northbay Dreamers)

Employer: Rhian Miller

Accomplishments

- Managed a team of student filmmakers that documented Arianna's life as a counselor and member of a photography club
- Coordinated different camera angles from different students at the same time
- Professionally Interviewed Arianna, her professor, and photography teacher with lavalier mics
- Successfully received detailed responses of Arianna's journey of being an undocumented worker

Photography Experience

The Windsor Times

Employer: Robin Gordon

Accomplishments

- Edited/Enhanced and uploaded photographs for internet and newspaper publications.
 - Photographed high-quality images for The Windsor Times Newspaper
 - Handled camera operating at several thousand frames per second
 - Met with different people in the community and photographed bike events, salsa dancing, town green events, and swimming.
-

Pegasus Theater play production, "Sleeping Indoors."

Employer: Director John Rowan

Accomplishments

- Edited and uploaded photographs for publication by the Director
 - Photographed high-quality images for Internet
 - Photographed throughout the entire play and took group portraits of the cast and crew
-

High School Senior Portraits

Employer: Christophe Davis

Accomplishments

- Edited, toned, and uploaded photographs to clients
- Developed a photography contract that states my pay and how many portraits the client will receive
- Posed subjects naturally in the environment of mine or their choosing
- Communicated about which portraits they wanted to be edited, showed them all photos and reached decisions on what they want to enhance
- Retouched face blemishes and enhanced color
- Photographed high-quality images for each client

Design Experience

Employer: Paul Kinunen

Accomplishments

- Learned the fundamentals of Adobe Photoshop CS6 and Illustrator CS6
 - Created 3 developed logos for my Broadcast Journalism Class
 - Learned 3D text warping in Photoshop and Illustrator
 - Designed Movie Posters and enhanced photography with dark shadows and overlaid textures
 - Created a children's storybook with original character designs in Adobe Illustrator
 - Developed 3 different Book Covers that resembled a professional one
 - Understood the basic principles of Design; contrast, repetition, alignment, and proximity
-

Windsor Rotary Club Logo Design

Employer: Marc Elin

Accomplishments

- Designed a super hero logo in Adobe Illustrator CC
 - Combined Shapes and overlaid them together to form the structure of the logo
 - Exported a high resolution png file and delivered the vector file as well
-

EDUCATION

Windsor High School

Degree - Completed

I was enrolled in Broadcast Journalism, Digital Photography, and Innovative Filmmaking. I have learned the advanced camera and audio equipment that we are provided, ranging from learning the aspects of filming a solid composition with a DSLR/Studio camera, professional mic'ings for interviews, or learning how to light a studio scene with on screen actors.

SKILLS

- Photo Manipulation and Enhancement
- Retouching and color correction in Photoshop and Premiere Pro
- HD photography
- HD Videography
- Cinematography

- Photojournalism
- Strong compositional skills for DSLR Camera
- Video editing in Adobe Premiere Pro
- An understanding of the fundamentals of Photoshop CC, Illustrator CC, Adobe After Effects CC, and Premiere Pro CC
